

# Become a Medical eRecruiting Authorized Reseller.

>>>>> We're #1 in SEO for active healthcare job seekers and the #1 online source for passive medical job seekers. Add real value for your clients with more effective ads and clear ROI as an Authorized FindHealthcareCareers.com Reseller.

FindHealthcareCareers.com™ is the best site for healthcare professionals looking for a faster job match: candidates post resumes and review fresh job listings updated daily, while recruiters connect to the right candidate. And every visitor benefits from rich and relevant information, tools and links designed to make work and life easier in the medical field, so they come back often and stay longer.

## **NO COST TO YOU. JUST RECEIVE A REVENUE STREAM FROM CLIENT ADS WITH NO EXTRA WORK ON YOUR PART.**

Simply introduce your clients to our site and maintain the relationship. We'll provide our unique, demonstrably effective and meticulous eRecruiting services, while you reap the benefit that is a significant percentage of ad sales.

## **YOUR CLIENTS ARE YOURS – AND STAY THAT WAY. OUR JOB IS TO ADD VALUE TO YOUR RELATIONSHIPS AND YOUR BOTTOM LINE.**

- **#1 source for passive job seekers and #1 in SEO for active job seekers.** We've refined the art of SEO in a way that makes us unique in the healthcare eRecruiting space.
- **Easy to understand ROI and real time metrics for you and your clients.** Our client dashboard makes it easy to see results immediately so you can update or add refinements for greater recruiting success.
- **We're adding national job listings.** We're specifically targeting the five largest U.S. markets, California, Texas, Florida, New York and Pennsylvania, to put your ads in front of hard-to-find medical professionals.
- **Over 10,000 resources that attract medical professionals, again and again.** Information and links that draw both active and passive job seekers are accessed directly from the site so visitors don't leave. They see your job postings and banner ads in a powerful way in a unique environment.
- **Take advantage of social media.** Job seekers and recruiters can connect with information and other professionals using LinkedIn, Twitter, Facebook and our blog.
